

Off The Wall

Welcome Bryan Kennery!

Please join the board in welcoming Bryan Kennery as the new manager of KWRC. Many of you who participate or visit league matches will no doubt already be familiar with Bryan and the great addition he makes to the club.

Bryan joins us as a University of Waterloo Co-op student currently working towards his degree in Recreation Studies. He will be with us until the end of April and join us again in September.

You can reach Bryan via email at manager@kwracquetclub.com or contact him at the club via phone, 519-745-6108.

We're excited to have Bryan aboard, he has already taken a leadership role in rejuvenating the club's lunch atmosphere including a new lunch menu and we look forward to many more improvements and great ideas.

Calendar of Events

Every Wednesday
8pm-10pm
Double D Night

Bring out interested guests, new members or anyone looking for a game

Every Monday
Chili Day

Join us for lunch or supper and warm up your stomach with delicious chili, chili dogs, and nachos with chili!

Friday March 5th
Euchre Tournament, rotating partners and big prizes!

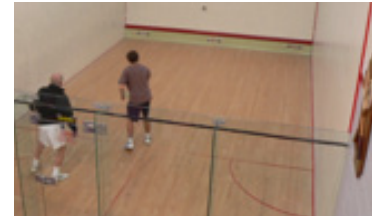

Tuesday March 9th
Calcutta Night, wager on a handicapped softball draw

Saturday April 24th
27th Annual Grandfathers Tournament. Come witness the tradition!

KWRC hosts Ontario Jesters Fixture vs. University of Waterloo

On December 5, KWRC played host to the University of Waterloo squash team. The event organized and sponsored by the Ontario Jesters.

The initiative, while promoting the game on one hand was also intended to introduce university players to the "Club Squash" experience and its attributes. The Jesters

Clive Porter In Action

Club promotes the game of squash in Canada through its 5 Regional chapters. Local Jesters Mike Costigan and Clive Porter organized the very successful event. The U of W team, U of W Squash Alumni, and Ontario Jesters (many of whom are also KWRC members) enjoyed an evening of informally organized hardball and softball singles, as well as doubles. The evening wound up in true KW style with a great dinner prepared by our manger Bryan Kennery and refreshments provided by the Jesters. The surprise of the evening was a cheque presentation to coach Clive Porter in the amount of \$1500 on behalf of UW Squash alumni in support of the UW squash program.

The hospitality provided by the Jesters and the generosity shown by the Alumni squash participants (also KWRC members) was sincerely appreciated by Coach Porter and the team.

This event was a continuation of K-W Racquet club's it long affiliation with U of W squash and a great opportunity to promote the club to future prospective members. Plans for next year's event are already in the works!

Members we need your help!

Times are tough, the board of directors is taking actions to help reduce our expenses and hopefully increase membership. However this club has always survived on the generosity and good nature of the membership. To that affect you can help the club in many ways:

Do your part to keep the club clean

By reducing the time Bryan and our cleaners spend we reduce our expenses and open up Bryan's time to spend on bringing in new members.

Turn off lights as you vacate areas. The clubs electricity bill tops \$12000 every year and with a little bit of attention we can reduce that by \$100s if not \$1000s!

Putting towels in the bin, the less time it takes Bryan to gather dirty towels the quicker he can have them washed and replaced

Bring dirty glasses and garbage back from change rooms and court galleries.

The best members are referrals!

We are opening the doors to guests in the hopes of finding a few good men. Bring your guest in to see the club and they play free for their first visit. Any family, friends and coworkers you know that might be interested in joining the club we urge you to let us know and get them interested

Paying off account balances by cheque or credit card

To those of you that have suffered from account discrepancies or confidence issues with our accounting we assure you that we're doing our best to rectify the situation and restore your confidence. The club depends on bar and proshop revenue to keep cash flowing in during the season. If you have a large balance on your account and feel it is inaccurate please contact:

Bryan at manager@kwracquetclub.com or

Corey Martella at president@kwracquetclub.com

If you feel the account is accurate please fill in your credit card information on the website which is protected by the same security level as your online banking or drop by the club to pay by Credit Card or cheque.

The best new members are referrals!

We are opening the doors to guests in the hopes of finding a few good men. Bring your guest in to see the club and they play free for their first visit. Any family, friends and coworkers you know that might be interested in joining the club we urge you to let us know and get them interested

Keep your account up to date:

By updating your phone numbers, mailing address and email address you help the club maintain an accurate roster so members can reach each other.

Your 2009/10 Board of Directors

The board welcomes your input no matter the issue, if you have something on your mind to improve the club or your experience at the club please reach out to us by any means!
